Application Timeline

EIT ICT Labs Master School general application period starts on November 1, 2013. The deadline for the general application period is February 1, 2014. After this deadline applications are still welcome but only to a subset of our programs and entry points (year 1 in universities).

Please apply at: www.masterschool.eitictlabs.eu.

*All non-European students are strongly advised to apply early. Applying late might not leave enough time for visa and/or residence permit application.

Fees and Scholarships

Our Programme provided to EU students

Nominal fee: 3000 euro

Standard Scholarships – For all EU students:

- the tuition fee is waived
- a one-time travel and installation support of up to 3000 € is provided
- EIT ICT Labs Master School covers the costs related to events integrated in the curriculum (e.g., kick-off and summer schools)

Excellence Scholarships:

Excellent students can on top of the standard scholarship be nominated for a monthly allowance of 500 €.

Our Programme provided to non-European students

Nominal Tuition fee: 8000 € /year

For all non-European students, EIT ICT Labs Master School covers the costs related to events integrated in the curriculum, e.g. Kick-off and summer schools.

Standard Scholarship:

- the tuition fee is waived
- a one-time travel and installation support of up to 3000 € is provided.

Excellence scholarship:

Excellent students can on top of the standard scholarship be nominated for a monthly allowance of 1000 €.
